Re: **11-OIA-0057**

Dear Mr. Smathers:

This is the final response to your Freedom of Information Act (FOIA) request to the Department of Homeland Security (DHS), Office of Intelligence and Analysis (I&A), dated 30 September, 2011, notifying you that your request has been transferred to the FBI. You are seeking the following documents:

“Copies of all regular reports between 1/1/2011 and 9/30/2011, made by the person responsible for the DHS priority “threat of radicalization and extremism. The reports may be for their direct supervisor, a board, Congress, Committees, etc.”

A search of Offices of I&A for documents responsive to your request produced a total of 80 pages. Of those pages, I have determined that 80 pages were a joint effort by the Federal Bureau of Investigation and the Department of Homeland Security. Therefore, as noted in a letter to you dated November 30, 2011, those pages were sent to the FBI for consultation as to the release of the responsive joint documents. In response to revised referral guidelines, the 62 pages now have been turned over to the FBI for direct response to you.

Please direct further inquiries concerning this matter to Mr. David Sobonya, FBI/PA Public Information Officer, (540) 868-4593 or email David.Sobonya@ic.fbi.gov.

The Office of Intelligence and Analysis notes your objection to our withholding 18 pages in their entirety, noted in an email an April 16, 2012 email. Upon review, I&A decided to release the redacted pages to you, and they are being transmitted with this letter.

If you need to contact our office again about this matter, please refer to **11-OIA-0057**. This office can be reached at 202-447-4190.

Sincerely,

A handwritten signature in black ink, appearing to read "Tony R. Tucker", is written over the printed name and title.
